Good Tuesday morning across Canada,

Thank you to everyone for your feedback on my list of ["9 Boardroom Rules" for Nonprofits and Charities.](#)

A) Can I suggest this Fall/Winter you bring your Board together for a 4 to 7 hour period to really improve your engagement levels and focus? Here is the list of topics I cover in a team-building, focused 7 hour session (everyone receives a PDF resource that covers this and more):

- 2 Roles & 7 Goals for Every Nonprofit & Charity Board
- 5 Questions to Focus Your Time as a Governance Board
- How to hold engaging, truly impactful Board Meetings
- Managing "Stars, Steadies, Strugglers & Stinkers" on & off the Board (we customize this)
- Great Agendas (including one keystroke that can energize your meetings; and how to start & end every meeting)

Since 2007, David has assisted hundreds of nonprofits and charities in 142 Canadian cities and towns. Over 20,000 trained.

- Long-term Direction: Strategic Planning (Board's role & easy-to-use template)
- Long-term Protection: Fiduciary Duties (Board's role & easy-to-use risk map template)
- Practically keeping Operations and Governance Separate
- Building & Maintaining Trust & Unity ... so we can have healthy debate!
- Helpful simple (Canadian) ways for the Board to help an organization financially
- Separating "major" from "minor" issues.
- Strong "committees" (long-term vs. Task forces)
- Ensuring you "hire" the right people to your Board
- Proper Orientation & Evaluation
- 4 Tips to Protect Yourself from Legal Liability
- "Skinny" by-laws: what by-laws you need to ensure you have in place
