Nurse Practitioner-Led Clinic

Policies and Procedures

Section: Governance/Operational	Policy Number: ORG2014-01
Subject: Financial Management	Effective Date: April 28, 2014
Approved by: Board of Directors	Revised Date: April 8, 2019, January 13, 2020

Chairperson

Date

Financial Management

Purpose

The purpose of this policy is to establish guidelines for developing financial goals and objectives, making financial decisions, reporting the financial status of the Algoma NPLC and managing the clinic's funds.

Policy

Financial Responsibilities

It is the responsibility of the Board of Directors to review financial statements, on a monthly basis, approve the annual financial statements and review financial policies annually.

The Executive Director (ED) is responsible for implementing all financial policies and procedures. The ED is responsible for the coordination of the following:

- Annual budget presentation
- Approving revenue and expenditure objectives in accordance with the Board approved long-term plans
- Management of the clinic's investments and
- Preparation of monthly and annual financial statements
- Preparation and timely submission of HST and other tax filings

The ED has the day-to-day operational responsibility for managing clinic funds, ensuring the accuracy of the accounting records, internal controls, financial policies, financial statement preparation, and bank reconciliation review and approval.

The bookkeeper is supervised by the Ed and is responsible for the preparation of the chart of accountants, reporting formats, accounts payable processing, payroll input and payroll processing, cash receipts input, journal entries for general ledger, and bank reconciliations.

Algoma

Nurse Practitioner-Led Clinic

Budgeting Process

The ED shall be responsible for preparing the clinic's annual draft operating budget draft (60) days prior to the end of the fiscal year.

The Finance Committee shall review and recommend an annual fiscal budget present it to the board for approval by the Board of Directors. The budget shall contain revenues and expenses forecasted by month. A chart of monthly cash flow shall be included.

Financial Statements

The clinic's monthly financial statements shall be prepared and presented for review and approval by the Board at their regularly scheduled meetings.

Bank balance

A bank balance of no less than the total of two average annual payrolls shall be maintained at all times. Should the bank balance falls below this minimum; the ED shall develop a plan for rebuilding it and present it to the Finance Committee within 5 working days.

Audit

The clinic will have its financial statements audited annually within 4 months of the end of each fiscal year. The audit shall be completed by a firm of Independent Certified Public Accountants. The ED shall have responsibility in overseeing the Annual Financial Audit. The Finance Committee shall recommend to the Board for approval, the selection of a firm to perform the annual audit. A representative of the audit firm shall be requested to make a presentation of the audit to the Board at their Annual General Meeting. The Auditor shall prepare the final Tax Return and it shall be reviewed and signed by the clinic's ED before submission to the CRA.

Signature Policy

The issuance of all cheques, electronic funds transfer, contracts, and commitments for services issued in the name of the clinic will be done in compliance with the Delegation of Signing Authorities Framework. This document outlines the requirements for signatures and approval on all financial and contractual agreements for the clinic. See Appendix 1.

Algoma

Nurse Practitioner-Led Clinic

Banking and Investments

The ED shall maintain and oversee Bank and Investment accounts, and ensure the clinic's day-to-day financial operations.

1. Bank Accounts – will be maintained at a recognized Canadian Financial Institution and will include a chequing account.
2. Investments – from time to time the NPLC may have excess funds available for investing. These funds are to be maintained in appropriate accounts/funds that have minimal risk, such as GICs, short-term investments with banks, insurance companies and/or government.
3. Reports on investments will be provided to the board as part of the monthly financial report.

Confidentiality and Records Security

Financial records are restricted materials with limited access. Only the ED and finance committee (or others so authorized) shall have access to the clinic's financial records.

Documentation Retention

Financial documents are retained for at least 7 years from the end of the last tax year to which they relate in keeping with the CRA requirements.

Tax Return/Filing

All tax and other reporting as required will be governed according to Canadian and Ontario laws and requirements under the direction of the ED.
