Dear Mr. Abbott:

Re: Ministry of Health Agreement with Algoma Nurse Practitioner-Led Clinic, dated April 1, 2012 as amended (the "Agreement") – Mental Health and Addiction Supports

I am pleased to inform you that the Ministry of Health (the "ministry") will provide Algoma Nurse Practitioner-Led Clinic with one-time funding of up to \$84,100 for the 2022-23 Funding Year to support the implementation of Mental Health and Addiction Supports.

This funding is part of Ontario's *Roadmap to Wellness*, Ontario's Mental Health and Addictions strategy, which will provide interprofessional primary care teams with funding to implement mental health and addiction support services.

Pursuant to Sections 15.06 and 17.02 of the Agreement, I am pleased to provide you with an amending agreement (the "Amending Agreement") that contains the terms and conditions governing this funding. All activities must be completed and funds expended prior to March 31, 2023. All terms and conditions contained in the Agreement remain in full force and effect.

Please review the Amending Agreement carefully, sign and email to PCOInquiries@ontario.ca. When all parties have signed the Amending Agreement, the ministry will return a copy to you and will begin the flow of funds.

Mr. Doug Abbott

We appreciate your cooperation with the ministry in managing your funding as effectively as possible. You are expected to adhere to reporting requirements, particularly for in-year service and financial reporting, which is expected to be timely and accurate.

Reporting for this one-time investment will be managed through existing reporting requirements. The ministry asks for your co-operation with the Indigenous Primary Health Care Council as they lead the report back for this funding on behalf of all participating interprofessional primary health care teams.

Should you require any further information or clarification, please contact Michelle Lisi, Senior Program Consultant, by email at michelle.lisi@ontario.ca.

Thank you for your ongoing dedication and commitment to supporting the well-being of the people of Ontario.

Sincerely,
