Dominic,

Please accept this letter as the cost sharing arrangement between the Algoma Nurse Practitioner Led Clinic (ANPLC) and the Sault Area Hospital (SAH). Specifically, this letter acknowledges the transfer of \$50,000 between two Algoma Ontario Health Team organizations (ANPLC to SAH). These dollars will be allocated to the establishment of the COVID-19 Assessment Centre (located at 165 Drive In Road Unit 3) and the purchase of the Emergency tent structure. Schedule 1 (attached) provides a breakdown of the costs associated with the tent purchases and the establishment and operation of center from March 15, 2019 to June 30, 2020.

This agreement and allocation represents a one-time transfer between APLC and SAH and is expected to occur prior to March 31, 2020.

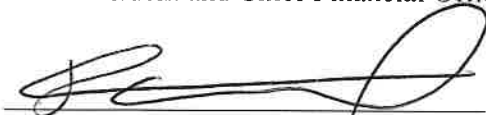

Please sign below to acknowledge your agreement to this one time arrangement.

On behalf of SAH, we thank you for your assistance during this very challenging time in our community.

Sincerely,

Lil Silvano CPA, CA
