Significant Accounting Estimates

The following significant estimates/judgments are contained in the financial statements:

Based on audit work performed, we are satisfied with the estimates made by management.

Significant Financial Statement Disclosures

We did not identify any financial statement disclosures that are particularly significant, sensitive or require significant judgments, that we believe should be specifically drawn to your attention.

Uncorrected Misstatements

We accumulated uncorrected misstatements that we identified during our audit and communicated them to management. We then requested that management correct these misstatements if applicable. All uncorrected misstatements for the current period have been corrected.

Significant Deficiencies in Internal Control

A deficiency in internal control exists when a control is designed, implemented or operated in such a way that it is unable to prevent, or detect and correct, misstatements in the financial statements on a timely basis, or when a control necessary to prevent, or detect and correct, misstatements in the financial statements on a timely basis is missing.

A significant deficiency in internal control is defined as a deficiency or combination of deficiencies in internal control that, in the auditor's professional judgment, is of sufficient importance to merit the attention of those charged with governance.

To identify and assess the risks of material misstatement in the financial statements, we are required to obtain an understanding of internal control relevant to the audit. This understanding is used for the limited purpose of designing appropriate audit procedures. It is not used for the purpose of expressing an opinion on the effectiveness of internal control and, as a result, we do not express any such opinion. The limited purpose also means that there can be no assurance that all significant deficiencies in internal control, or any other control deficiencies, will be identified during our audit.

We did not identify any control deficiencies that, in our judgment, would be considered significant deficiencies.

Written Representations

In a separate communication, as attached, we have requested a number of written representations from management in respect to their responsibility for the preparation of the financial statements in accordance with Accounting standards for not-for-profit organizations.

Other Audit Matters of Governance Interest

We did not identify any other matters to bring to your attention at this time.

We would like to thank management and staff for the assistance they provided to us during the audit.

We hope the information in this audit findings letter will be useful. We would be pleased to discuss them with you and respond to any questions you may have.

This letter was prepared for the sole use of those charged with governance of Algoma Nurse Practitioner - Led Clinic to carry out and discharge their responsibilities. The content should not be disclosed to any third party without our prior written consent, and we assume no responsibility to any other person.

Yours truly,
