

Oct28/16 Executive Committee Meeting by Phone and Email

Input of the executive (Giulian, Chris, Eric ) was sought by the chair around the process to deal with the announcement of Recruitment and Retention funding received from the MHLTC prior to the next meeting. A decision was made to assign review of this funding to the finance committee who will then prepare a recommendation for the board about the use of the funding. The finance Committee will seek input from the leadership team.

Respectfully submitted by Wendy Payne
