## Nurse Practitioner-Led Clinic

*Celebrating 5 Years!*

### Monthly Leadership Team Board Report – OCTOBER 2016

#### The Pulse

- Busy, higher-stress time of year – lots of clinical programming, many administrative activities on the go and getting into “cold/flu season”.

#### Quality Improvement

- QIP measurements continue to be tracked and worked on, including Access, Patient Satisfaction and HbA1c. Patient survey completion being sought – available in welcome area on tablets and on clinic website.

#### Human Resources

##### Recruitment/Retention

- Funding letter received with additional funds allocated for recruitment and retention – work on a proposal for the Finance Committee was initiated.

##### Staff Successes, Satisfaction and Recent Activities

- Social worker and RN completed self-management program for chronic pain in Sudbury (1 week).
- Contract RN successfully passed her Ontario NP licencing exam!

##### Other

- Personnel matter – request to go in camera to share details with board

#### Community Partnerships

- OTN Psychiatry visits in October - 5
- OTN Dermatology visits in October - 1
- Health Links program – no new update
- Community Flu clinics are planned for November with different partner agencies (Sault College, CARA house, city community hubs, SSM Police Services etc.)

##### Other

- October was busy with planning for the 5-year anniversary celebration, which was a great success
- TB screening clinics were successfully completed in October and plans for January clinics have been set.
