Nurse Practitioner-Led Clinic

Celebrating 5 Years!

Monthly Leadership Team Board Report – FEBRUARY 2017

The Pulse

- The team remains busy at this time of year with the fiscal year end, they are positive, and a little anxious to know about outcome of NP Lead position.

Quality Improvement

- Draft QIP has been developed and will be presented to board members at the March meeting. Team input has been sought and incorporated; the change ideas section will be completed by the team members who will be leading those quality initiatives in collaboration with the team QIP committee.

Human Resources

Recruitment/Retention

- Interviews for the NP position have been completed and reference checks are underway. Hopeful to make an offer of employment in the next week.
- R&R funding allocations were given to all staff members who were very happy and grateful for the board's hard work on that front. They were excited to be recognized for their work and asked me to extend their thanks to the board.

Staff Successes, Satisfaction and Recent Activities

- Both of our nurse practitioners completed a mandatory course on prescribing controlled substances in February.
- An annual subscription to the HR Downloads program was purchased; 85 small organizations and NPLC's in Ontario have purchased this service to support their HR needs.

Other

- Two Personnel matters: updates – request to go in camera to share details with board
- Follow up on Dr. Curran contract – request to go in camera

Community Partnerships

- OTN Psychiatry appointments in February – 8 visits
 - Dr. Young will be on site for 2 clinic days in March.
- OTN Dermatology appointments in February – 0 visits
- Health Links program – no update

Other

- Evening Clinics – February 15th and 27th
- Annual operating plan submission template has not been received to date; discuss request to change RN and RSW FTE allocations in 17/18.
