

September 7, 2021 - February 16, 2022

The last time you were sick or were concerned you had a health problem, how many days did it take from when you first tried to see your Nurse Practitioner to when you actually saw them or someone else at our clinic?

Did you get an appointment on the day you wanted or within an acceptable timeframe?

How many times in the past 12 months have you received care at a walk-in clinic or Emergency Department?

If you have received care at a walk-in clinic or Emergency Department, what was the reason for the visit?

Have you been admitted to the hospital in the past 12 months?

If yes, did you book or did someone call you from our clinic to book a follow-up appointment?

Do you take prescription medication(s) on an ongoing basis?

If yes, in the past 12 months, did you review your medications with your Nurse Practitioner and/or Pharmacist?

When you see your health care provider(s), how often do they or someone else in our clinic Give you an opportunity to ask questions about recommended treatment

When you see your health care provider(s), how often do they or someone else in our clinic . Involve you as much as you want to be in decisions about your care/treatment

When you see your health care provider(s), how often do they or someone else in our clinic Spend enough time with you

We are a Team-Based health care model. Please let us know whom you saw in the past 12 months at our clinic location(s)? Please check ALL that apply

Did staff make you feel welcome at our clinic?
