

2019-2020 Board Evaluation Survey

The board evaluation is a tool to facilitate ongoing effectiveness by highlighting our strengths and achievements as well as areas needing growth and improvement. Educational needs and tasks are identified based on results. Engaging in board evaluation demonstrates our commitment to good governance.

Please take time (20-30 minutes) to complete the evaluation by Friday, May 29th, 2020. Answers to the multiple choice questions are anonymous. Each question is followed by an optional comments section. Please note, you may be identified by your short answer comments and therefore, choose not to answer to protect your anonymity.

Completed questionnaires will be collated and analyzed. The Governance Committee will present a summary to board members at the June meeting. Thank you for your time and contribution.
